MAZAK CORPORATION MOVES TO ACCOMMODATE EXPANSION

CHICAGO, IL (NOVEMBER 2011)— Mazak Corporation, the North American manufacturing, sales and support arm of the leading international machine tool builder, Yamazaki Mazak Corporation (Oguchi, Japan), announced that it is embarking on a major expansion of their regional headquarters located in Schaumburg, IL. This expansion required a quick but temporary relocation of all personnel for a period of 12-18 months.

Mazak retained the services of Entre Commercial Realty whose knowledge of the market led to the procurement of an efficient and economical solution to satisfy a difficult real estate requirement. Entre was able to quickly identify landlords and property owners who could provide turn-key space solutions with flexible and economical terms. The result was the completion of a 10,000 square foot office lease at 125 E. Commerce Drive in Schaumburg.

Dan Jones and Dan Benassi with Entre Commercial Realty represented Mazak Corporation and Ed Brandt with Newmark Knight Frank Epic represented the Landlord in the transaction.
