

**ENTRE COMMERCIAL REALTY COMPLETES 13,000 SQUARE FOOT LEASE
TO WIND TURBINE COMPANY IN FRANKLIN PARK**

SCHAUMBURG, IL (APRIL 2014) - Entre Commercial Realty LLC announces that the firm represented the owner, Powder Properties, LLC, in the lease of 13,000 square feet of office/warehouse at 9240 W. Belmont Ave. in Franklin Park, Illinois, to Global Energy Solutions, a construction and maintenance services company for the wind and solar power industry. .

Global Energy Solutions leased the facility for the relocation of their operations from Abilene, Texas. The company chose the property due to the high visibility, heavy power and access to public transportation for their new employees.

“Global Energy Solutions trains their employees from across the country, so it was important to them to have a location near O’Hare airport,” said Tom Boucher of Entre Commercial Realty. “There is a wealth of industrial space available, but this building suited their company.”

Entre Commercial Realty’s Tom Boucher and Mark Deady worked on behalf of the landlord in the transaction. The tenant, Global Energy Solutions, was represented by Colliers International’s Patrick Turner.
