

## Entre announces the leasing of 31k SF Lake County facility

**Wauconda, IL (April 2018)** - Entre Commercial Realty is pleased to announce the completion of a new long-term lease of a 31,325 square foot building at 1215 Henri Drive, Wauconda, IL to POS Remarketing Group ("POSRG"). POSRG is a Wauconda-based company which has evolved from a small local supplier of used point of sale equipment into an international powerhouse that provides high-caliber, completely certified, refurbished point of sale materials to more than 3,000 organizations in every major vertical global market. In fact, every year since its' 2005 inception, POSRG has grown by approximately 30% per year and the addition of this new facility will allow POSRG to better serve its' growing customer base.

With this transaction, Entre was able to sync the expiration of a previous tenant's lease with the commencement of this new lease, resulting in no vacancy or downtime at the property. Entre's landlord client was able to offer an enticing lease package which helped POSRG justify the relocation and expansion.

Bill Lussow of Bespoke Commercial Realty represented the tenant and Dan Benassi of Entre represented the landlord in the lease transaction.
