

Entre Represent Landlord in 21,250 SF Industrial Transaction

Crystal Lake, IL (June 2018) - 340 Commerce Drive, Crystal Lake, IL., a 51,025 SF multitenant industrial building has achieved 100% occupancy. Entre Commercial Realty LLC successfully leased the last remaining unit totaling 21,250 SF to a global forklift manufacturing company. This high image building was chosen due to its centralized location to their North American HQ and limited product availability of the size requirement. Entre worked directly with the Tenant and has now completed multiple transactions to facilitate their industrial requirements within the last 24 months.

The team of Mike Deserto and Cory Kay completed this transaction.
