

## Entre Expands Property Management Team & Portfolio; Industry Veteran Tim Donohue Joins as Director of Asset Management

**Arlington Heights, IL (January 2020)** - Entre Commercial Realty is pleased to announce that Tim Donohue has joined the firm as Director of Asset Management. As a Principal in newly created Entre Asset Management LLC along with Entre Principals Dan Benassi, SIOR, Dan Jones, SIOR, and Mike DeSerto, Tim will lead the company's continued expansion of its third-party property management services.

Entre's co-founder Dan Benassi, SIOR, stated "We are excited to take this important step for our company and our property management division. We formalized our property management group about a half dozen years ago to oversee assets that we owned and for a few key clients. Since then we have found that many property owners value the additional attention and service that an independent and entrepreneurial firm can provide. Thus, it has grown substantially to the point where it makes sense to bring on somebody whose 100% focus is on the operation and growth of this important client service. Tim brings 30+ years of property management expertise along with a portfolio of assets that immediately expands our footprint in the Midwest and further broadens our asset mix into more retail and office properties."

Tim Donohue furthered this by saying "I've known the Entre crew for many years and we've successfully worked on multiple projects together. I feel that bringing our existing managed portfolio under this platform will lead to greater opportunities for our existing clients and provide a strong avenue for future growth".

Also joining Entre as Property Managers are Jim Haran and Lorenzo Marrone. The team's philosophy is simple: "We treat our clients' properties as if they are our own".
