

Entre Completes Sale of 2 Industrial Properties in Elk Grove Village for Redevelopment

Elk Grove Village, IL (July 2021) - Entre Commercial Realty announces the successful completion of the sale of the properties at 1700 Nicholas and 2139-2145 Lunt Avenue in Elk Grove Village to EdgeConnex Data Centers. The existing buildings will be demolished to make way for a new industrial development. The sale is the final step in a multi-property project whereby Entre helped relocate its client, Abbott Rubber Company, from three older properties to a newer facility in Itasca earlier in 2021. The new facility allows Abbott to consolidate operations under one roof and improve overall efficiency.

Entre's Dan Benassi, SIOR, Sam Deihs and Tim Donohue represented the seller and Jason Lev of CBRE represented the buyer in the transaction.
